

甲鉄城のカバネリ

R-18

- Thanks for those who waited this work to be finished!

there's so many things i wanna add at this work particularly for mumei, but i am so busy that i have to put only eight works in total.

All the people from page been waiting the "megumin R18 doujin" i've been working for the past month now. do not worry... there's just too many work at the moment ;~;

Regardless, thanks for viewing the work! :D

  
P.s. my handwriting sucks.
