The right-hand side of the interface shows the Blender 2.80 interface panels. At the top is the 'Color' panel with a color wheel and RGB sliders (R: 9, G: 7, B: 7). Below it is the 'Layers' panel, which shows three layers: 'LEFT HAND', 'TEMPLATE' (highlighted in green), and 'BACKGROUND'. The 'Navigator' panel below shows a thumbnail of the current scene. At the bottom of the interface, there are zoom and rotation controls showing 50% zoom and 0° rotation.
