THE IDOLM@STER SHINY COLORS

UNOFFICIAL FANBOOK #05

あさひちゃんは
スケ変でオフじゃなく
なっちゃったし…
2人とも忙しいもんね

まだ諦めて
なかったの？

かっぱ
オフはゆくり
するべからぬわな

みみよ

あさひ
あいつは忙しさとか
感じてなさそう
だけど……

というか
忙しいのは
あんたでしょ。

うち?うちは大丈夫だよ

元気めっっちゃありあまってるし〜♪

まあ、目離してもあんたなら特に問題ないだろうし

?

次のオフ、ふゆの家に遊びにきてもいいわよ

何のおもてなしもできないけどね

え!!? 冬優子ちゃんち?! いいの!?!?

その日は
家族も出てて
いないし。

なによ、愛依
急に黙っちゃって

そ、
それ…

付き合っている

the 1990s, the number of people with a mental health problem has increased in the UK, and the number of people with a mental health problem who are in contact with mental health services has also increased (Mental Health Act 1983, 1990, 1994, 1997, 2003, 2007).

There is a growing awareness of the need to improve the lives of people with a mental health problem, and to reduce the stigma and discrimination that they experience. This has led to a number of initiatives, including the development of mental health services, the establishment of mental health charities, and the implementation of mental health legislation (Mental Health Act 1983, 1990, 1994, 1997, 2003, 2007).

The aim of this paper is to explore the experiences of people with a mental health problem who are in contact with mental health services. The paper will discuss the challenges that these people face, and the ways in which mental health services can help to improve their lives. The paper will also discuss the need for mental health services to be more person-centred, and to take account of the needs and wishes of the people who use them.

The paper is structured as follows. The first section will discuss the prevalence of mental health problems in the UK. The second section will discuss the challenges that people with a mental health problem face. The third section will discuss the ways in which mental health services can help to improve the lives of these people. The fourth section will discuss the need for mental health services to be more person-centred. The fifth section will discuss the need for mental health services to take account of the needs and wishes of the people who use them.

The paper will conclude by discussing the need for mental health services to be more person-centred, and to take account of the needs and wishes of the people who use them. The paper will also discuss the need for mental health services to be more accessible, and to provide a range of services that meet the needs of different people.

The paper will also discuss the need for mental health services to be more effective, and to provide a range of services that meet the needs of different people. The paper will also discuss the need for mental health services to be more cost-effective, and to provide a range of services that meet the needs of different people.

The paper will also discuss the need for mental health services to be more sustainable, and to provide a range of services that meet the needs of different people. The paper will also discuss the need for mental health services to be more inclusive, and to provide a range of services that meet the needs of different people.

The paper will also discuss the need for mental health services to be more transparent, and to provide a range of services that meet the needs of different people. The paper will also discuss the need for mental health services to be more accountable, and to provide a range of services that meet the needs of different people.
