ADULT ONLY  
**R18**

An artistic illustration of a person's chest and upper torso. The skin is rendered in soft, warm tones of pink and light red, with visible shading and highlights that give it a realistic, almost painterly texture. The person has long, flowing purple hair that frames the top of the chest. The background is a light, neutral color, possibly a wall or a simple backdrop, with some subtle shading to suggest depth. The overall style is soft and detailed, focusing on the anatomy and color of the skin and hair.
