The background of the entire image is a detailed anime-style illustration of Akari Hoshizaki. She is depicted from the chest up, wearing a yellow and white outfit with a pink star on the shoulder. Her long, flowing pink hair is a prominent feature. She has a joyful expression, with her mouth open in a wide smile and her eyes looking upwards. The background behind her is a soft, warm-toned gradient with some faint, abstract shapes.

Akari Note♪ "xenon" presents
