...Seriously, Pache has no eye for people. Why would she hire someone like you..

What the hell are you talking about, you idiot...

To think I'd end up working at my ex's mansion...

Truly, fate works in mysterious ways♥

Hey Missy♥ Can I give you a "squeeze" today~? ♥

Ehh~ Nooo... that's scary...

You'll be fine♥ C'mon... I'll make you feel so good...♥

Mmm ...♥

T-That was just because you always forced me...!

Anyway! Right now you're just a servant and I'm the mistress of this mansion! Mind your place!

How cold... Back then, if I asked nicely, you'd do anything for me♥

Wha-!?

Stop
...

Hehe♥
Been a
while since
I undressed
you, Missy♥

I'm not
the same
as I used
to be...

Have you
been playing
with yourself
thinking
of me~?

Aha~ ♥
Still weak
right where
I trained
you, huh?

A-At
least...
let's go
to
my room...

Slick

A bit late for
that,
isn't it?♥
We did it
all over the place
back then,
remember?♥

N-
Nooo

Did you really think you'd changed just because we broke up, Missy?♥

You're still the same obedient little masochist slut you've always been♥

You were born to be my toy, you know that?

Looking forward to our time together again, my dear mistress...

And those tears...
I love them too...
I love you...
Love you so much...

Haa...
Missy's orgasm face is still the cutest
