This is a black and white manga-style illustration depicting a character lying down, possibly unconscious or dead, with their head tilted back. The character has short hair and wears a dark garment with a prominent, ornate silver-colored collar featuring a knot-like design. Their eyes are closed, and there are teardrops or sweat droplets around them. Two hands are visible, one near the character's head and another near their chest, suggesting they are being held or examined. The scene is filled with dynamic motion lines and large, stylized Japanese sound effects. On the left side, the sound effect 'イグッ' (Igutto) is written vertically in a jagged font, followed by three heart symbols (♡♡♡). At the top right, the phrase '全部の穴で♡♡' (All holes with ♡♡) is written vertically. Other smaller sound effects include 'ブツ' (Butsu) at the top center, 'ジュン' (Jun) on the right, and 'グッ' (Gutto) at the bottom center. A small heart symbol is also present at the very bottom. The overall composition uses strong contrasts and expressive linework typical of anime art.
