A chibi-style illustration of a character with grey hair, cat ears, and a blue scarf, making a peace sign. The character has a small cross on their forehead and a star above their head.

A close-up of a person's face, showing their eyes and nose. The person has dark hair and is looking slightly to the right. A large, stylized graphic of the letters 'H' and 'O' is overlaid on the right side of the image, partially obscuring the person's face. The 'H' is white with a black outline, and the 'O' is white with a black outline. The background is a solid light blue color.
