...You know, tharja,
You might think you're
getting away with it,
but you've been stalking me
for the past few months.
It's totally obvious...?

WTF!?

PLUMP

PLUMP♥

Um...ah...Oh!my Robin!
W-what a coincidence! Really!
I-I never would've thought
we'd run into each other here!

No, I mean,
I'm telling you—
I know you've been stalking me...

(I've really been struggling these past few months...
It's not that I dislike Tharja,
but with her super-sexy, curvy body
sticking to me like this, I can't help but
keep picturing her sexy body in my mind...)

PLUMP

PLUMP

(Because of this, both our military
council meetings and our work have been held up,
so I really need to tell her once and for all
to stop following me around...!)

Uh, hey, Tharja...
I'd really like you to stop doing this already...

Huh? What is it, Robin?
If it's a favor from you,
I'll do anything...♡

BOING♡

No, I mean, I told you to stop stalking me...
Whoa!? It's huge!?♡

BOING.

Ahhh!?♡
I'm, I'm sorry, Robin...!♡
M-my chest has gotten bigger again lately, and it doesn't quite fit in my clothes anymore...
I'm, I'm sorry for showing you such an unsightly sight...♡

WEAK!

SQUEEZE.

OH?!

GRAB.♡

Eeek!?♡
R-Robin...!?
Um... your hand is squeezing my boobs...
And you're squeezing them pretty hard, crushing them and pulling on my nipples too...♡
Ohhh♡ Y-your dick is pressing against my pussy too...♡

HORNY

Shut the hell up, you slut...💢
Day in and day out, you're jiggling that slutty flab all over the place, shaking it around like a total loser, and you've been tailing me like a piece of trash...💢
It's all your fault my sexual desire's been building up like crazy, you piece of shit...💢

Gaaaaaaahhh♡
Robin!!♡ Calm down!!♡
I'll apologize!!♡ I'm so sorry for tempting you every day with my horny, masochistic body♡
I'll never do it again, so please stop pounding my pussy with your cock~!!♡

OHH HH

SMACK!

SMACK!

SMOOCH!

Hmph, hmph!
I'm never forgiving you...!
I'm gonna fuck you senseless today and make sure you get pregnant by the end of the day,
then train you to be my very own personal pregnant toilet...💢
Don't even think about getting any sleep💢

Hey, stick out your tongue.
Starting today, whenever I say "Show me your pussy," you'd better offer it up.
I'm gonna dig into your asshole and your tits too, and turn your whole body into a sex toy,
so brace yourself. Got it, you little bitch?

Mmmphhh♡
Y-yes, I understand♡
I'll be your convenient sex toy wife that you can use anytime, anywhere♡

Don't go calling yourself my wife all on your own💢

NGHH...♡

LICK♡

LICK♡

SPLASH♡

Phew...♡ Phew...♡
Did that teach you a lesson...?
Got it? You're my property now.
Whenever I call you—no matter what—
you'd better rush over, spread your legs, and beg me to fuck you.

What the hell are you doing answering with a squirt, you bitch! 💢
You haven't learned your lesson at all, have you?
I can't forgive this... I'm gonna torment you even more...!
I'm going to cover your whole body
with bite marks and spanking bruises,
and I'll rub so much cum into you
that your sexual scent won't fade for a week...💢♡

...Robin?
You've been squirming around for a while now—
what's the matter?

Ah, ah, sorry, sorry.
It's nothing...
It's just that this chair
isn't very comfortable, you see♡

...A tool that's completely useless
needs to be taken home and "adjusted"
thoroughly, doesn't it...♡
And I mean thoroughly... so you'll never
screw up again... okay?♡

GRAB

SPLIT.

.....~♡

So, at that meeting earlier,
it almost came out that
I'm using you,
but
how do you plan to take
responsibility for this...?

Y-yes...♡
P-please beat me, suck me, and bite me
until you're satisfied, Master.
Dig around in my pussy, my asshole, and my nipples—
everything—and use me as a perverted punching bag
to blow off your stress.
Please destroy me completely...♡
